

Moving home made easy with our Moving Home Checklist

We are the removals subject matter experts, and are here to pass on this specialist, expert knowledge straight to you. Read on below for our Moving Home Checklist and let us help make your moving day a success.

Sort Your Items

Take this opportunity to identify which items you wish to keep. Those that you do not want can be sold, donated or otherwise disposed of.

Pay All the Bills

Arrange for all your bills to be closed on the date of moving and the remaining balance paid.

Rearrange Utilities

Arrange for the redirection of mail and advise banks, building societies, etc. of your change of address.

Label Boxes

Clearly label boxes for their intended room after removal, e.g. kitchen, living room, etc.

Defrost Fridge

Defrost and clean fridge and freezer units prior to travel, whether you intend to keep them or not.

Get Electricity and Gas

Ensure gas and electricity is available within your new property.

Gather Documents

Gather together all important documents, such as house deeds and ID.
